

Student Information System – Subjects and schedule registration - manual

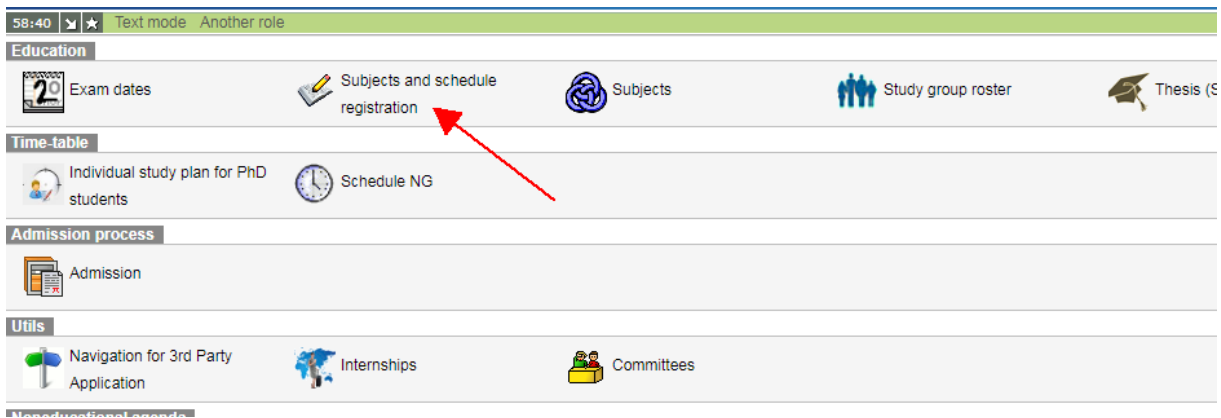

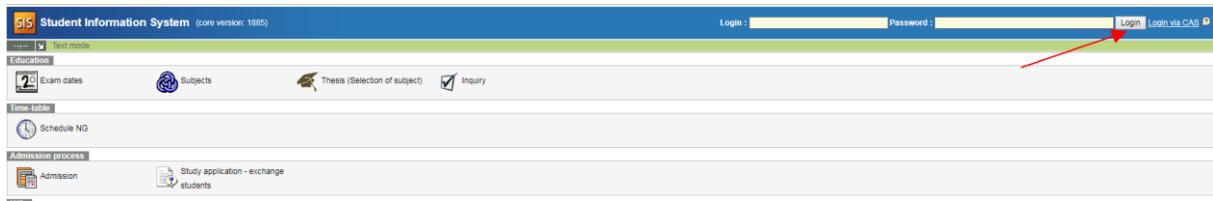

Sign up Study Information System at: <https://is.cuni.cz/studium/eng/>

At the beginning of new semester the subject registration is enrolled at time given by the schedule of current academic year of doctoral study.

A doctoral student enrolls in courses he / she will complete in a given academic year.

At the beginning of new academic year he / she can enroll for both winter and summer semester subjects.

You can find the recommended years/semesters for specific subjects in "[Organisation of the doctoral studies \(information for applicants accepted for the academic year 2019/2020\)](#)".
