**Specification:**

**The competitive hiring process within the programme:**

**The Call N. 02\_16\_27** for International Mobility of Researchers in the priority axis 2 OP VVV

**Project title: International Mobility of Researchers of Charles University**

**Registration N. of the project: CZ.02.2.69/0.0/0.0/16\_027/0008495**

**Host institution: Charles University Faculty of Law (Department of Economics)**

**Destination of mobility: Czech Republic**

**Duration: 1 year**

**Period: commencement in September 2019**

**Work load: full-time**

**Description of mobility:** The Visiting Research Fellow is expected to work on his or her own research project in the area of the economic analysis of law. The researcher is to be employed at the Department of Economics and will work on the project under supervision of a mentor (doc. Mgr. Libor Dušek, Ph.D., Head of Department). The researcher, by means of consultations, is to be involved in other research projects of members of the Department; the involvement in such projects as a co-author would be welcomed but is not not required.

The research project may be focused on any field within the Economic Analysis of Law; however, applicants presenting an empirical project and experienced in empirical research will be preferred.

The Visiting Research Fellow within the mobility will be employed as a full-time researcher. The Fellow is obliged to actively participate in conferences / seminars / workshops, etc., organized by Charles University, at least once in six months of the mobility. The Fellow is obliged to be affiliated exclusively with the Faculty of Law of Charles University on at least one publication published or produced during the mobility.
