

Registration for the State Doctoral Examination in **June 2022**

Dear students,

a student who has passed the examinations of all study subjects specified in the Individual Study Plan can register for the state doctoral examination.

Student should pass the exam in the academic year specified in his/her Individual Study Plan.

The application period for the SDE that will take place in June 2022 is April, 11 to April 22, 2022.

Fill in the application for the state doctoral examination, which can be found in the documents of the study department here: <https://www.prf.cuni.cz/en/phd-programme/documents-doctoral-study-programme-english>

The following two attachments are attached to the application:

- **an overview of the publishing activity** confirmed by signature of the supervisor and
- **the supervisor's report on the creative activity of the applicant** confirmed by signature of both the supervisor and the guarantor of the study programme.

If you have not published anything, state this fact in the application and you do not submit an overview of the publishing activity. The supervisor's report on the creative activity of the applicant is always submitted. Samples and forms are not available for the above attachments. Develop them in cooperation with your supervisor.

The application with attachments is submitted to the PF UK filing office for a doctoral study department personally or via postal service.

Consult your supervisor about the content of the exam and the appropriate preparation.

Ludmila Páralová
officer for Ph.D. in English
