If you didn't fulfill the subject, choose „unfulfilled“, select the next academic year and write an explanation into the commentary field.

Coupling of publication (with OBD):

You need to add the publication to OBD system first:

https://verso.is.cuni.cz/fcgi/verso.fpl?fname=web_index

Support for OBD system: **Mgr. Jan Šumbera** (sumbera@prf.cuni.cz)

Then you can couple the publication in the assessment the same way you coupled the other subjects. The publication should appear in the bottom part of the window. If you didn't add the publication to OBD for any reason, mark the duty as fulfilled and write an explanation into the commentary field.
