How to access the faculty of law moodle

You can access moodle on this website: https://moodle.prf.cuni.cz/?lang=en.

In the upper right corner, you will find a link to the login page. As a username use your personal number (it is written on your student card). The password is the same as the one you set up after you received your student card. If you do not have this password, you can set it up it here: https://ldapuser.cuni.cz/language/switch?lang=en.

In moodle, you can find particular courses through the search box on the home page. You can also view your profile which contains a list of all the courses you have access to. In the courses you can find various presentations, links or tests and other class related materials and activities.

If you have any problems with login, access to particular courses or other technical issues please contact itpodpora@prf.cuni.cz. For issues with the content of your courses (assignments, presentations etc.) please contact the corresponding teacher.
